

Minneapolis St. Paul Air Reserve Station

2021 Employers' Day

SATURDAY AUG. 7, 2021

Nomination Form

Military reservists with civilian employers can thank their bosses for their support during the past year through a special event, Employers' Day 2021. This event will be held **August 7th with activities starting at 7 a.m. and ending around 2 p.m.** Activities include briefings with the 934th Airlift Wing commander, Employer Support of the Guard and Reserve, a tour of a 934th Airlift Wing C-130 aircraft, and other military demonstrations. Meals will be provided for employers as they join their reservists for lunch during **Family Day activities**. *Employers' Day is one way Reservists can say thank you to their civilian bosses who help support their military career.* The experience will provide some insight to employers as to what takes place during a reserve weekend. Reservists who want to nominate their employer should complete this nomination form. **Completed forms must be received by the PA office no later than July 16th either by mail, e-mail or drop-off (see contact information below).**

***Due to recent changes in procedures, a C-130 flight will NOT be taking place this year. Employer's attending this year will be considered for a C-130 flight at a future TBD date.**

Provide the correct spelling of all names and official titles. E-mail addresses are required as that is our main form of communication. Also, employers are required to provide a drivers license number and date of birth so a background check can be conducted prior to entering the base. Federal civil service employees of military organizations are not eligible to be nominated.

PLEASE PRINT LEGIBLY (illegible responses will NOT be considered)
